ENG HUB

What Can I See?

- Look at the picture.
- One person chooses something in the picture (don’t say what!).
- Give 2-3 clues. *Example: “It’s green.” / “It’s big.”*
- Others have 1 minute to guess.
- If someone guesses right, they get 1 point.
- If not, the clue-giver gets the point.
- Take turns and play again!
