

Describe the day of this person.

ENG HUB

A BUSINESSMAN

Possible answer:

The businessman wakes up to his phone's alarm. He eats a toast and drinks coffee for breakfast. He puts on a blue suit and takes the bus to his office. At the office, he talks on the phone, meets with people, and uses his computer a lot. He has a sandwich for lunch at a nearby cafe. In the afternoon, he reads some papers and writes notes. When his work is done, he goes home, eats dinner with his family, checks his messages, and watches a little TV before bed.
