🤹 How to Play: English Scrabble Duel 🔠

English Scrabble Duel is an interactive, multiplayer vocabulary and spelling review game designed specifically for English learners to practice forming words, spelling correctly, and earning points using letter tiles and special multipliers.

👥 1. Game Setup

1. **Configure Teams:** When you open the game, a setup modal will appear. Enter the number of student teams playing today (between **2 and 15 teams**). Click **"Start Scrabble Duel! 🚀"**.
2. **Turn Management:** The sidebar displays all teams, their current active turn, and live scores.

🎮 2. Step-by-Step Gameplay

1. **Check Your Letter Rack:** Each team gets a random rack of 7 letter tiles at the bottom of the screen. Each tile shows a letter and its point value (e.g., **A = 1pt**, **Q = 10pts**).
2. **Place Tiles on the Board:**
   - Click a letter tile in your rack to select it (it will light up).
   - Click any empty square on the 11x11 Scrabble board to place your letter.
   - *Tip:* If you change your mind, click the placed tile on the board to return it to your rack.
3. **Use Special Multipliers:** Look out for special colored squares on the board:
   - **DL (Blue - Double Letter):** Doubles the letter score.
   - **TL (Green - Triple Letter):** Triples the letter score.
   - **DW (Red - Double Word):** Boosts your total word score.
   - **TW (Purple - Triple Word):** Huge bonus score!
   - **★ (Center Star):** Double word starting point.
4. **Submit Your Word:**
   - Once you have placed at least 2 connected letters to form a valid English word, click **"Submit Word ✅"**.
   - The app will play success chimes, calculate your score based on letter values and multipliers, and add points to your team!
5. **Rack Controls:**
   - **Shuffle Rack (🔀):** Shuffle your current letters if you get stuck.
   - **Pass Turn (⏭️):** Pass your turn if you cannot form a word.

🏆 3. Winning the Game

- The first team to reach **50 points** triggers the championship celebration and wins the game! Click **"Play Again 🔄"** to start a fresh match with a new letter bag.

💡 Teaching Tips for the Classroom:

- **Collaboration:** Have students discuss together in their teams for 30 seconds before deciding where to place their letters.
- **Vocabulary Review:** Ask teams to use the word they just spelled in a spoken English sentence to earn bonus conversational practice!
