ENG HUB

# HOW TO PLAY:

- Start with 5 fingers up (or more if you want a longer game).
- The teacher shows a card (or you play in breakout rooms and work in pairs).
- If you have done it → put 1 finger down and tell your partner/class a short story.
- If you haven't done it → keep your fingers up.
- In pairs:
  - First person shares, second person asks 1–2 quick questions.
  - Swap roles.
- Keep going until time is up or someone has no fingers left.
- The person with the most fingers left wins — or just enjoy the stories!
