ENG HUB

DESIGNED TO HOOK YOU

Read the card. Think about how the product or service was designed to keep people using it. What features make it attractive, fun, or hard to stop using? Discuss your ideas with a partner.

LOYALTY PROGRAMS

Example:

- *People earn points every time they buy something, so they feel motivated to come back.*
- *The app shows how close they are to a free coffee, which encourages them to make another purchase.*
- *Special offers and bonus points create a feeling that they might miss out if they don't use the app.*
